Attn: RO/US

Dear Sir:

STATEMENT REGARDING SEQUENCE LISTING

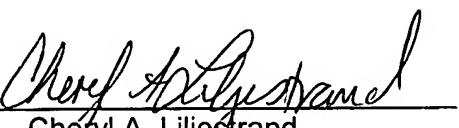

Applicants hereby state that the Sequence Listing submitted upon filing the PCT International application contained 4 nucleic acid and amino acid sequences appearing in the specification or figures. The Sequence Listing does not introduce any new matter and does not go beyond the disclosure as originally filed.

Applicants also state that the information recorded on the substitute computer readable disk submitted herewith is identical to the written Sequence Listing originally filed.

Respectfully Submitted,

Dated: December 21, 2005.
